

Macon County
Permitting, Planning & Development

I _____, Macon County Permit # _____ request

temporary power for 30 days for the purpose of _____.

I understand that this is not for permanent power and therefore, agrees not to occupy or allow this structure to be occupied until permanent power and a Certificate of Occupancy is issued. I also understand that if final inspection is not satisfied or requested in the time allotted that Macon County Inspection Department has the right and has my permission to remove power from this structure on the day mentioned below.

N.C. Codes applicable to the structures will have to be satisfied before permanent power is issued. I assume full responsibility for any injury or dangers due to the electricity being connected to the structure as a temporary measure.
