Old Business: Chris Hanners meet with Jack Morgan and with Joe Deal the past month to discuss trying to come up with a plan to work through the Comprehensive Plan.

The Planning Board reviewed the Draft Comprehensive Plan discussing the steps taken to get where it is now.

The Planning Board decided to go back to the start (the beginning of the Comprehensive Plan) into the original teams of two and set up meeting with the Sub-committee members.

Changes to the subcommittees were: Rick Trevathan to the Economic Development & Public Safety, John Shearl and Betty Waldroop to Health/Child/Senior Care, Evan Harrell to the Transportation and Housing. The Board asked Jack to call and make sure some of the members of the subcommittees would be willing to meet again. Jack requested that Tina make work book for all the Planning Board members and that the work book will include a copy of the original comprehensive plan and a copy of the comprehensive plan new draft. The Planning Board made the decision to cancel the Planning Board November meeting in order to look over the work books and meet back on December 8th with bullet points from the subcommittee meetings.

New Business: None

Next Meeting Date: December 8, 2016, at 4:00pm at Macon County Environmental Resource Center.

Meeting Adjourned: Joe Deal made motion to adjourn. Evan Harrell seconded the motion and the motion was carried unanimously.
