

**NOTICE OF REQUEST FOR QUALIFICATIONS**  
**CONTRACTOR PRE-QUALIFICATION**

**Macon County MSW Landfill  
Phase 3 Cell 2  
Macon County, North Carolina**

**May 7, 2025**

The Macon County Solid Waste Department is receiving applications for Pre-Qualification for Contractors to construct the new Macon County MSW Landfill, Phase 3 Cell 2. Applications must be received by 4:00 P.M. Eastern Time, on May 30, 2025 at the office of:

Ms. Lori Carpenter  
Macon County Finance Officer  
Macon County Annex Building  
5 West Main Street  
Franklin, North Carolina 28734

Only those contractors who have been pre-qualified will be allowed to submit Bid Proposals for the project. Envelopes containing the pre-qualification application must be clearly marked "REQUEST FOR QUALIFICATION, CONTRACTOR PRE-QUALIFICATION FOR MACON COUNTY MSW LANDFILL, PHASE 3 CELL 2". Applications not properly marked or timely received will not be considered.

A copy of the pre-qualification package can be obtained from McGill Associates, located at 55 Broad Street, Asheville, NC 28801, 828-252-0575. Email requests will be received at (include both email addresses): [collin.selman@mcgillassociates.com](mailto:collin.selman@mcgillassociates.com) and [scott.burwell@mcgillassociates.com](mailto:scott.burwell@mcgillassociates.com).

The project generally consists of the construction of approximately 12.5 acres of lined landfill, including approximately 350,000 cubic yards of earthwork, composite liner system, leachate collection system, leachate pumping station and force main, modifications to the existing leachate storage lagoon, access roads, and erosion control measures.

Macon County will advise applicants of their approval or disapproval prior to June 30, 2025, and Bid Documents will be available to qualified bidders on July 1, 2025. Following the pre-qualification process, a Pre-bid conference will be held at the Macon County MSW Landfill on or about July 15, 2025. Macon County anticipates opening Bids on or about July 29, 2025. The Notice to Proceed is anticipated on or about September 9, 2025.
